## **New distributor will help bring Bell's beer to Oklahoma later this year**

COMSTOCK, Mich. - Bell's Brewery is proud to announce it will begin distribution to the state of Oklahoma!

"We are excited to come to the great state of Oklahoma. In a year when so much has changed for our business and industry, we're excited to share our beer to new craft beer lovers." said Larry Bell, President and Founder of Bell's Brewery. "There's even a fun connection between Oklahoma and Kalamazoo: I live in the same house as Lawrence N. Upjohn, M.D, who was the founding dean of the University of Oklahoma's College of Medicine before coming back to Michigan to run the family business."

Later this year, Republic National Distributing Company of Oklahoma will help sell the Bell's portfolio. Bell's brews Two Hearted Ale, Official, Light Hearted, and the summer seasonal Oberon, just to name a few.

Oklahoma is the 42nd state in Bell's distribution footprint, which includes Washington DC and Puerto Rico. Based in Comstock, Michigan, with its original brewery and pub in Kalamazoo, Bell's has been a leader in craft beer for 35 years.

Additional information will be announced as details are finalized at [bellsbeer.com](http://bellsbeer.com) and on Bell's social media.

## **ABOUT BELL'S BREWERY**

Bell's Brewery, Inc. began in 1985 with a quest for better beer and a 15 gallon soup kettle. Since then, we've grown into a regional craft brewery that distributes to 41 states, in addition to Puerto Rico and Washington DC. The dedication to brewing flavorful, unfiltered, quality craft beers that started in 1985 is still with us today. We currently brew over 20 beers for distribution as well as many other small batch beers that are served at our pub in Kalamazoo, the Eccentric Cafe. Our ongoing goal is to brew thoughtfully, creatively and artistically. 100% family-owned and independent, we strive to bring an authentic and pleasant experience to all of our customers through our unique ales and lagers.
